My favorite words are “A winner never quits.”</p> <p>These words were said by Pete Gray. Playing professional baseball was his dream. He lost his right arm in an accident when he was six. He never quit. He still practiced very hard. He was known for his fighting spirit. Finally his dream came true. He became a professional baseball player.</p> <p>Last year I was depressed because I didn’t win any kendo matches. I thought of leaving the club. At that time, I came across Mr Gray’s words. I was encouraged by them.</p> <p>For me, these words are stronger than any others. I remember them when I am in trouble. Thank you.</p>
